This notice requires you by law to send us a tax return giving details of income and disposals of chargeable assets, and any documents we ask for, for the year 6 April 2017 to 5 April 2018.

You can file the tax return using either:

- this form and any supplementary pages you need
- the internet (you'll need to buy commercial software). Most people file online. If you file online you'll receive an instant online acknowledgement telling you that we've received your tax return safely. To file online, go directly to our official website by typing www.gov.uk/file-your-self-assessment-tax-return into your internet browser address bar. Don't use a search website to find HMRC services online

Make sure that your tax return, and any documents asked for, reach us by:

- **31 October 2018** if you complete a paper tax return
- **31 January 2019** if you file online

Please see the Partnership Tax Return Guide for filing dates if this notice was given after 31 July 2018 or if the partnership includes a company as a partner.

Each partner who was a member of the partnership during the return period is liable to automatic penalties if the Partnership Tax Return doesn't reach us by the relevant filing date shown above. They'll have to pay interest and may have to pay a late payment penalty on any tax they pay late.

We check all tax returns and there are penalties for supplying false or incomplete information.

Who should send the Partnership Tax Return?

If this Partnership Tax Return has been issued in the name of the partnership, then the partner nominated by the other members of the partnership during the period covered by the tax return is required by law to complete it and send it back to us. If the partners are unable to nominate someone, they should ask us to nominate one of them.

If this Partnership Tax Return has been issued in the name of a particular partner, that partner is required by law to send it back to us.

The Partnership Tax Return – your responsibilities

We've sent you pages 1 to 8 of the tax return for the most common types of partnership income. You might need other supplementary pages, which we've not sent you, for other types of income and disposals.

You are responsible for making sure that you have the right pages. Answer the questions on page 2 of this form to find out if you have the right ones.

You should make sure that the information needed by individual partners to complete their personal tax returns is given to them as quickly as possible (some partners may want to send their own returns by 31 October 2018).

If you need help:

- refer to the Partnership Tax Return Guide, go to www.gov.uk/taxreturnforms
- phone the number above – we can answer most questions by phone
- when the office is closed, phone our helpline on 0300 200 3310 for general advice
- go to www.gov.uk/self-assessment-tax-returns
